

u-he Diva ReVOLUTION

Installation guide: u-he Diva “ReVolution” Sound Pack

Mac/Win:

To install the soundset on MacOS or Windows, simply open an instance of Diva in your host application, then drag & drop “ReVolutionbyLimbicBits.uhe-soundset” anywhere within Diva’s user interface.

Linux:

To install the soundset, open Diva, click on the u-he badge at the top and select “Install Soundset”. Then navigate to the location of the file:ReVolutionbyLimbicBits.uhe-soundset
Select it and hit “Open” to start the installation process.

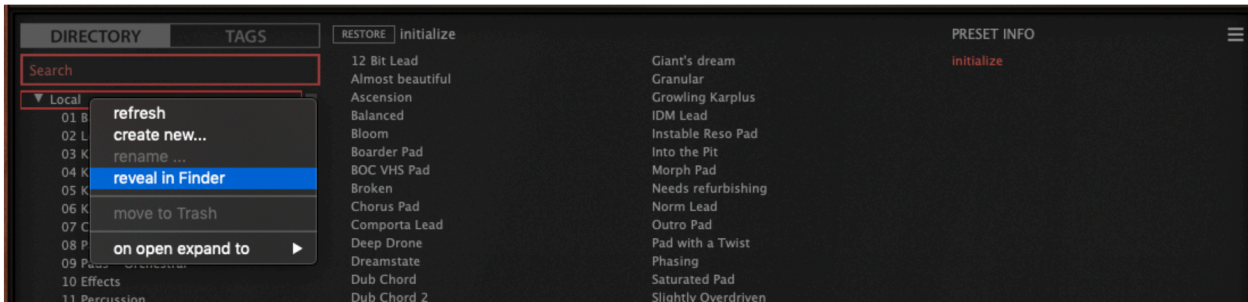

The database will take a few seconds to update, after which you should see “ReVolution” in your User folder.

Manual Installation

1. Search and locate your u-he folders. Usually, you’ll find them in your VST plugins presets folder. There you should see a folder called “u-he” which contains presets for all of your u-he devices.
2. Now, copy and paste the folder “Limbic_Bits_ReVolution” into the Diva root folder
3. Hit refresh or alternatively start (or restart) your DAW and open the Plugin. You should find the presets on the left side.

Trouble Shooting

If you're having issues to see the preset folder, try to locate it by right clicking on "local" which appears on the left side in your PlugIn's preset browser.

License Conditions - Limbic Bits Sound Packs and Samples

Please read the following agreement before using these Sound Sets. All Sounds and Samples herein are licensed, not sold to you (collectively, „Licensee“), by Limbic Bits. The original manufacturer of the sounds (collectively, “Licensor”) will always remain the owner of the sounds. All rights not expressly granted herein are reserved exclusively by Licensor. We may, at our discretion, make changes to these Conditions at any time. Any changes will be posted on this page. In some instances, we may send an email to registered users notifying them of a change to the Conditions. You should, however, check this page from time to time to take notice of any changes.

1. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

2. The licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other Sounds.

3. The Licensee MAY NOT use the Sounds in isolation within any competitive product that is sold, redistributed or relicensed to third parties. That includes i.e. sound effects, sampled sound libraries or loops based on our Presets or Sample Banks.
4. A right to use the sounds is granted only to the Licensee and is NOT transferable.
5. This license expressly forbids resale, rental, gift, relicensing or other distribution of the Sounds, either as they exist or any modification thereof. Samples or sampled Sounds based on our Presets may not be included, whether unmodified or as part of a derivative work, in any sample library or virtual instrument product. You are not allowed to sell, loan, rent, lease, assign, upload to or download from any server, or transfer all or any of the enclosed sounds to another user, or for use in any competitive product.
6. This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. Opening or using this product constitutes your acceptance of these terms.
7. Licensor will not be responsible if the sounds does not fit the particular purpose of the Licensee.

Thank you for your agreement to and understanding of these Conditions which are designed to protect the artists and content creators so we can continue bringing you great sounds.
