

## KORG drumlogue “Helium” Sound Pack - Installation

In order to transfer this sound pack, you’ll need a computer, and a stable USB connection

*PLEASE MAKE A BACKUP FIRST! The Kits and Patterns of this sound pack will be stored in Bank “E”, and the samples will be stored in positions 001–050.*

1. Connect the USB port on the drumlogue to your computer using a USB cable.
2. Press the Power button while holding down the (REC) button to start up in USB Mass Storage Mode.
  - The “drumlogue” USB drive will appear on your computer, containing the following folders: Kits, Programs, Samples, and Units.
3. Open the downloaded sound pack and copy the kit data (.drmlgkit), program data (.drmlgprog), and sample data (.WAV) from their respective folders into the corresponding folders on your drumlogue.
  - **Only copy and paste the individual files — do not copy the entire folders, or you may overwrite factory data.**
4. Press the (PLAYBACK)/(STOP) button to exit USB Mass Storage Mode. The drumlogue will restart automatically.
  - Note for Mac users: Before exiting, eject the “drumlogue” USB drive on your Mac, then perform the operations on the drumlogue.

5. Now you can use the data you've copied.

## Trouble Shooting

In case something went wrong, please try these things:

1. Use a direct USB connection instead of a USB HUB
2. Try a different USB cable
3. Make sure you have the latest drumlogue firmware version

## License Conditions - Limbic Bits Sound Packs and Samples

Please read the following agreement before using these Sound Sets. All Sounds and Samples herein are licensed, not sold to you (collectively, „Licensee“), by Limbic Bits. The original manufacturer of the sounds (collectively, “Licensor”) will always remain the owner of the sounds. All rights not expressly granted herein are reserved exclusively by Licensor. We may, at our discretion, make changes to these Conditions at any time. Any changes will be posted on this page. In some instances, we may send an email to registered users notifying them of a change to the

Conditions. You should, however, check this page from time to time to take notice of any changes.

1. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.
2. The licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other Sounds.
3. The Licensee MAY NOT use the Sounds in isolation within any competitive product that is sold, redistributed or relicensed to third parties. That includes i.e. sound effects, sampled sound libraries or loops based on our Presets or Sample Banks.
4. A right to use the sounds is granted only to the Licensee and is NOT transferable.
5. This license expressly forbids resale, rental, gift, relicensing or other distribution of the Sounds, either as they exist or any modification thereof. Samples or sampled Sounds based on our Presets may not be included, whether unmodified or as part of a derivative work, in any sample library or virtual instrument product. You are not allowed to sell, loan, rent, lease, assign, upload to or download from any server, or transfer all or any of the enclosed sounds to another user, or for use in any competitive product.
6. This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. Opening or using this product constitutes your acceptance of these terms.

7. Licensor will not be responsible if the sounds does not fit the particular purpose of the Licensee.

Thank you for your agreement to and understanding of these Conditions which are designed to protect the artists and content creators so we can continue bringing you great sounds.
